Parker Johnson joined the firm's Civil

<u>Litigation</u> group in March. Originally from the Santa Ynez Valley, Parker attended Occidental

College in Los Angeles, where he was an active member of both the football and track & field teams. Parker then earned his law degree from the UCLA School of Law. Upon graduating, he joined a mid-sized firm in Fresno, primarily representing large

agribusiness interests and local agencies. He later returned to Los Angeles, initially focusing on eminent domain actions and subsequently

transitioning to environmental defense work.

Parker is thrilled to be back in the area to support local businesses with their litigation

needs at Mullen & Henzell.
